

"Helping Haiti" fundraiser weekend Thursday January 14 – Saturday January 16

Campania is "Helping Haiti"

A major catastrophe struck Haiti's capital on Tuesday, January 12. The 7.0-magnitude quake -- the most powerful to hit Haiti in more than 200 years - struck the capital city of Port-au-Prince. It is estimated that about 3 million people, one-third of Haiti's population, were affected by the quake. Haiti, whose population is about 9 million people, and roughly the size of Maryland, is the poorest country in the Western Hemisphere.

On behalf of our community, Campania is acting quickly to do our part, and will donate a portion of total sales for Thursday January 14th, through Saturday, January 16, to the **International Medical Corps**.

We are also accepting donations on behalf of International Medical Corps.

Sincerely,
